Subject Choices

Look carefully at your predicted grades and the entry requirements for each course and tick the 3 subjects you would like to study for 2 years.

Those students who are predicted grade 7 or above in English and Maths may pick a 4th subject if you wish to do so.

***Please note:** Course availability will depend on demand and students meeting the minimum entry requirements. You may also apply if you are predicted grade 4 in English and Maths but please be mindful that your chances of obtaining a place are reduced.
