

Covid-19 PCR Testing

Your PCR home testing kit - What to Do

- Register your kit online at www.gov.uk/register-home-test
- Click the green start now bar
- Click the green continue bar
- On the webpage that says 'What's your order ID' Click the link at the bottom of the page that says:

Register your kit a different way

Entering your order ID is the quickest and easiest way to register your kit - you will not have to enter information previously provided.

Your order ID looks like this in the confirmation email. The email was sent from "Coronavirus Home Testing":

Your 10-digit order ID is: 0123456789 (example)

Order ID

Continue

If you did not receive an order ID, you need to [register your kit a different way](#). Please do not use the link if you have an order ID.

- Click the green start now bar
- Answer the question, click green continue bar
- Click your answer and then the green continue bar
- Half way down the page, click Scan bar code, this will open the camera.

These are different from your pre-paid Royal Mail return package barcode on your box.
