

## February 2019

Dear Parent/Carer,

I am writing to make you aware of the compulsory intervention sessions that will be taking place over the February Holidays. It is vital that your child attends the sessions they have been invited to, as this time will be utilised to support scholars in order to achieve exceptional outcomes and achieve ambitious life choices.

You will receive a text and email detailing the sessions your child is required to attend. Please note lunch will **not be** provided by the academy during these sessions.

It is important that we see your child during all the required intervention sessions, failure to do so may result in your child achieving a lower than expected level. This extra time is imperative to the success of your child's GCSE results. You will shortly be receiving communication if your child is required for these sessions.

In addition, I would like to take this opportunity to inform you about two extra learning days that have been organised for all Year 11 scholars during March. During these sessions scholars are required to wear the academy uniform and lunch will be available to your child to buy as normal.

**It is compulsory for all Year 11 scholars to attend school on Thursday 7 March 2019 and Friday 8 March 2019, which are training days for the remaining year groups. We have found that scholars find these sessions extremely useful and they have a significant impact on outcomes.**

Thank you in advance for your support.

Yours sincerely

Gary Dreher  
**Principal**
