

January 2019

Dear families

We have had a fantastic start to the new term. Scholars have returned ready and well prepared demonstrating our core values of happiness, industry and responsibility throughout the mock examination period.

On **Thursday 31 January** we will be hosting our Year 11 Post 16 and Examination Open Evening from **4.30 – 7.00pm**. This evening will provide you and your child with information about the courses on offer in our Post 16 provision and details on how to apply. In addition, we will be releasing the mock examinations results to scholars. The presentation will also provide families with key information about how to support your child in preparation for their examinations in the summer.

There will be two presentations on the evening at **5.00pm** and **6.00pm**. Parents may also receive an invite to speak to members of staff regarding their child's progress. If you are required to attend a meeting regarding your child's progress you will receive a letter with an appointment time by **Tuesday 29 January** at the latest.

Our Post 16 provision has today been announced as the highest performing 6th form provision in Bradford for progress and also places us within the top 40 schools nationally. This is a tremendous achievement and is a testament to the hard work and determination of our staff and scholars.

If you have any questions regarding Post 16 please contact Miss Dabrowski and if you wish to discuss your child's mock examination results in more detail, please contact Miss Akhtar.

With your continued support, we are confident that your child will be extremely well prepared to achieve exceptional outcomes this summer.

Yours faithfully

Gary Dreher
Principal
