

Dear Scholar/Families

This year has been another tough year with further COVID restrictions and lockdowns. Many of you have shared your disappointment at exams being cancelled again and we sympathise with you.

Coronavirus has continued to take the world by storm impacting on individuals and families. It is important we continue to follow Government advice and with this in mind we need to plan our results day differently again this year. All scholars have been allocated a timeslot based on an alphabetical surname split to attend the academy on the 12 August.

8:30am – 9:00am A – G
9:00am – 9:30am H – Khalid
9:30am – 10:00am Khan – N
10:00am – 10:30am O – Z

Staff will be available to support and assist in helping the smooth operation of the results day process.

All scholars are requested to attend via the main reception (Rhodesway). You will be asked to sanitise your hands. You will then enter the building and be guided to the designated collection points to collect your results. If you are returning to the academy in Post 16 you will progress into the Heart Space where you will be seen by the Post 16 Team for further discussion regarding your transition for September. If you are not joining Post 16 you will be asked to exit the academy once you have collected your results. Unfortunately, we can only accommodate scholars in the building however families are welcome to wait outside should they wish to do so.

It is imperative that scholars arrive at the designated time slot and are not late.

I understand some of you may choose not to come into the academy, if this is the case your results will be posted to you.

In the meantime, thank you for all you have contributed to the academy. Have a peaceful and restful summer. Please keep yourselves and family safe by following advice and we will see you on 12 August

Yours sincerely

C Skelding
Executive Principal
