

## What to do - Careers education, information, advice and guidance

### Learning opportunities available for students

At Dixons Allerton Academy we are committed to ensure that our scholars achieve exceptional outcomes and therefore obtain ambitious life choices. In order to achieve this the academy has a strategic careers plan which at present incorporates years 7-13 and will be developed into our Primary phase in the future.

Every scholar is registered to sign up for UNIFROG and make use of the platform to find out aspects of different careers and qualities needed in order to enter these. All scholars also have opportunity to reflect on professional skills and work in order to achieve these.

Careers Lead: Elvira Suess

SLT: Natalie Jones

Chair of Governors: Lynn Barrett

Date of next review: July 2020
