DIXONS ALLERTON ACADEMY

CURRICULUM MAP

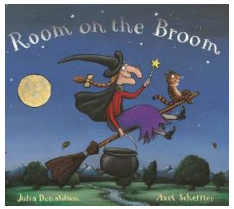

AUTUMN 1

YEAR 1

MATHS

Children will develop a secure understanding of numbers to 10 through counting, comparing and representing quantities in different ways. They will begin to explore number relationships, and solve addition and subtraction problems using practical resources, number bonds and simple calculations.

READING

Children will explore the story Room on the Broom, developing their reading, speaking and writing skills through retelling the story, describing characters, and creating their own ideas inspired by the adventure.

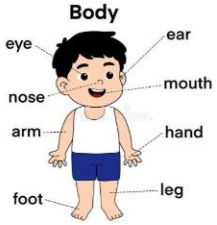

WRITING

Children will practise writing short sentences from a spoken sentence, focusing on using capital letters at the beginning and full stops at the end. They will build confidence in hearing, remembering and accurately recording simple sentences.

TOPIC

During this unit children will be introduced to the concept flight vs floating and will learn about the history of flight inc. hot air balloons, the Wright brothers and space travel. They will learn basic map reading skills and will study aerial photographs of DAA and the surrounding area of Allerton.

SCIENCE

Children will learn to name, identify and label the main parts of the human body. They will also explore the five senses: sight, hearing, smell, taste and touch.

RE

Children will learn about important beliefs and values from a range of religions, including Christianity, Islam, Sikhism, Hinduism and Buddhism. They will explore how religious teachings and stories encourage people to make good choices, help others and show kindness and respect.

OUR VALUES

HAPPINESS
We care for each other and enjoy learning together.

INDUSTRY
We work hard, take pride and never give up.

RESPONSIBILITY
We do the right thing and make a positive difference.
