DIXONS ALLERTON ACADEMY

CURRICULUM MAP

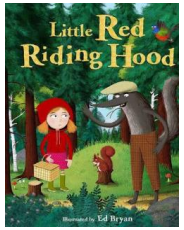

AUTUMN 2

YEAR 1

MATHS

Children will develop their understanding of numbers within 10 by counting, comparing, ordering and representing numbers in different ways. They will explore one more and one less, learn number bonds within 10, and begin solving simple addition and subtraction problems using practical resources and number sentences.

READING

Children will explore Little Red Riding Hood through reading, discussion and storytelling. They will develop their understanding of the story, learn new vocabulary and use the text to support their speaking, reading and writing across the curriculum.

WRITING

Children will practise writing short sentences from a spoken sentence, focusing on using capital letters at the beginning and full stops at the end. They will build confidence in hearing, remembering and accurately recording simple sentences.

TOPIC

During this unit, children will learn about Guy Fawkes and Bonfire Night, exploring why Bonfire Night is celebrated and the events of the Gunpowder Plot. They will also learn about Florence Nightingale, discovering how she helped improve nursing and hospitals.

SCIENCE

Children will learn to identify, name and describe a variety of everyday materials, including wood, plastic, metal, glass, rock and fabric. They will explore the properties of different materials and investigate how materials are suitable for different purposes.

RE

Children will learn about important beliefs and values from a range of religions, including Christianity, Islam, Sikhism, Hinduism and Buddhism. They will explore how religious teachings and stories encourage people to make good choices, help others and show kindness and respect.

OUR VALUES

HAPPINESS
We care for each other and enjoy learning together.

INDUSTRY
We work hard, take pride and never give up.

RESPONSIBILITY
We do the right thing and make a positive difference.
