

Dixons Allerton Academy Newsletter

News and Events Friday 31st March 2023

Welcome to our newsletter

As part of our drive to help the environment and engage more with parents we would like to introduce our newsletter. We think it looks bright and inviting, and more importantly will bring you key information about what is happening at the Academy for both Scholars and parents.

As a one off you may have received the link to this via text, in future this will only go out via email which is now our primary communication method. Therefore if you have not also received an email you may wish to contact admin@dixonsaa.com or ring us on 01274 089 890 so we can ensure your email address is up to date and correct on the system.

Star of the week

Yr 7 - Marhaba Mahmood

For always being a star - excellent attitude to reading and writing

Yr9- Enoch Akande

For demonstrating a fantastic attitude since starting at DAA, showing industry in lessons and setting a fantastic example to other students

YR10- Mohamad Al Hakim

For persevering with his studies and also being a great help with the three new students, whether this be translating or helping them generally settle in

Yr11 -Megan Jacques

She demonstrated all three values during a very busy Y8 Options Evening, she went above and beyond to ensure that both staff and parents were happy, and her efforts meant that the evening was a success!

Yr12- Aneeshah Mahmood-Parsons

For always displaying a positive attitude and being a role model to others

Yr13- Kaiser Iqbal

Forgood attendance, working hard in all his subjects and his positive attitude during his volunteering in Primary.

Good News Story

PE & Sport

Well done to the Y8 Dodgeball team who gave 100% in the Dixon's Cup Tournament! Although the students lost their first game, they soon bounced back with great resilience and finished with 3 wins and 1 draw. Special shoutout to Kai for suggesting some great tactics (that helped us win!) and keeping the team motivated!!

Performing Arts

Rayyan Tariq for making excellent progress this week in drums and for his outstanding performance to his fellow students which took courage and bravery.

Yr 13

Esha Zaheer and Saman Zahra have a been offered a place to study radiography at university.

BBC School News Report 2023

This week students started gathering news stories for the annual BBC News School Report which gives 11-16 year-old students in the UK the chance to make their own news reports for a real audience. This will be presenting after the Easter break.

Higher Education Workshops

This week years 10 and 11 had a special presentation from HE providers to help them in their consideration for their next steps in their education journey. The providers were Bradford College, Leeds City College, Bradford City Training College, the RAF, The aviation Academy from LBA, and the University of Bradford. The following stalls held by the presenters were very popular with our students, so much so that we needed to prioritise the year 11 students.

In years 8 and 9 we had our Enterprise Partner, Hight Speed Training, visiting and they presented sessions on Transferrable Skills. Students got the opportunity to reflect about their skills and how they can use these in a professional way.

Race for Life

Last year, it was great to see staff and students come together to take part in a 5k Race for Life to raise money for Cancer Research. We raised a total of £265 but I think we can beat that this year!

The race is taking place at Lister Park on Saturday 20th May at 11:00am. Race for Life used to be a women's only event, however, in 2019 they opened it up to men too, so please do not be put off thinking it is only for women! **Thank you** to all the male staff who took part last year, this really helped encourage some of our students (boys) to sign up!

Entry fee for adults is £15.99. If you would like me to sign you up, please send me an email. Alternatively, you can use the link below to sign up and your race pack information will be sent directly to your home.
