Week 10	The Tell Tale Heart – language analysis practice (opportunity for purple pen)	
Week 11	Creative writing – construction of character	
Week 12	Creative writing – construction of setting	
Week 13	Creative writing – what makes an effective ending?	

	Topics studied	Checkpoint / Assessment Scores
Week 1	To identify 3D shapes and their properties	
Week 2	Identify and draw nets, plans & elevations	
Week 3	Calculate areas of basic 2D shapes	
Week 4	Calculate surface area of cubes and cuboids	
Week 5	Calculate surface area of prisms	
Week 6	Calculate volume of prisms	
Week 7	Calculate volume of cylinders, cones and pyramids	
Week 8	Checkpoint Assessment	
Week 9	Collecting & organising data	
Week 10	Interpret and compare different statistical diagrams	
Week 11	Calculate averages & range from frequency tables	
Week 12	Frequency diagrams – identifying errors/misconceptions	
Week 13	Checkpoint Assessment	

	Topics studied	Checkpoint / Assessment Scores
Week 1	C1 - Atomic structure – atoms, elements compounds	
Week 2	C1 - Atomic structure – Chemical equations	
Week 3	C1 - Atomic structure – Separation techniques	
Week 4	C1 - Atomic structure – History of the atom electronic structure	
Week 5	C1 - Atomic structure – metal and non metals	
Week 6	C1 - Atomic structure – group 1, 7 and 0	
Week 7	Checkpoint	
Week 8	B1 – Cell Biology – cell organisation	
Week 9	B1 – Cell Biology – enzymes and digestion	
Week 10	B1 – Cell Biology – Circulatory system	
Week 11	B1 – Cell Biology – Health and diseases	
Week 12	B1 – Cell Biology - Plant cell organisation	
Week 13	B1 – Cell Biology - Transpiration and translocation -Checkpoint	

	Topics studied	Checkpoint / Assessment Scores
Week 1	Introduction to GCSE and the year ahead	
Week 2	Drawing objects with ellipses	
Week 3	Experimental drawing	
Week 4	Tonal shading with chalk and charcoal	
Week 5	Tonal shading with oil pastels	
Week 6	Oil pastel bottle drawing	
Week 7	Oil pastel bottle drawing	
Week 8	Acrylic blue tonal painting	
Week 9	Mono printing - objects	
Week 10	Mono printing - objects	
Week 11	Final still life composition	
Week 12	Final still life composition	
Week 13	Final still life composition	

	Topics studied	Checkpoint / Assessment Scores
Week 1		
Week 2	Introduction to global population and population change	
Week 3	Patterns and causes of urbanisation	
Week 4	Introduction to Mumbai and why Mumbai is growing	
Week 5	Opportunities and challenges in Mumbai	
Week 6	Solutions to Mumbai's challenges	
Week 7	UK physical landscapes	
Week 8	River drainage basin and profiles/processes weathering and erosion	
Week 9	Transportation and deposition, features of R Tees upper section	
Week 10	River Tees middle section, lower section	
Week 11	Movement of water in drainage basin/causes of flooding	
Week 12	Flood hydrographs	
Week 13	Flood management hard and soft engineering	

	Topics studied	Checkpoint / Assessment Scores
Week 1	Introduction to PIES development	
Week 2	Childhood/Adolescence Growth and development	
Week 3	Early adulthood/Middle adulthood Growth and development	
Week 4	Older Adulthood Growth and Development	
Week 5	Controlled Assessment Task 1 – Growth and development throughout life stages	
Week 6	Factors influencing Growth and Development	
Week 7	Cultural and Environmental Factors	
Week 8	Application of factors affecting	
Week 9	Application of factors affecting	
Week 10	Physical Life Events	
Week 11	Physical Life Events	
Week 12	Relationship Changes	
Week 13	Life Circumstances	

	Topics studied	Checkpoint / Assessment Scores
Week 1	What was 20 th century Europe like?	
Week 2	Who was Kaiser Wilhelm?	
Week 3	What was the alliance system?	
Week 4	What is Imperialism?	
Week 5	What was the Moroccan Crisis?	
Week 6	What is militarism?	
Week 7	What is nationalism?	
Week 8	What were the Balkans Crises?	
Week 9	Why was Arch-Duke Franz Ferdinand assassinated?	
Week 10	Marking Point – Alliance System	
Week 11	What were the Battle Plans of the First World War?	
Week 12	How did the Stalemate begin?	
Week 13	What were the battles of the Western Front?	

	Topics studied	Checkpoint / Assessment Scores
Week 1	Introduction to the course	
Week 2	What is food poisoning	
Week 3	Bacteria and growth conditions	
Week 4	High risk foods	
Week 5	Microbes	
Week 6	Food allergies	
Week 7	Checkpoint assessment	
Week 8	Food intolerance	
Week 9	Conditions bacteria grow in	
Week 10	Cross contamination	
Week 11	Food poisoning	
Week 12	Environmental health officer (EHO)	
Week 13	End of unit test	

	Topics studied	Checkpoint / Assessment Scores
Week 1		
Week 2		
Week 3	Introduction to Creative iMedia and Pre-Production Documents, purpose and content of a mind map	
Week 4	Purpose and content of a mind map and mood board	
Week 5	Purpose and content of a storyboard	
Week 6	Purpose and content of a visualisation diagram	
Week 7	Purpose and content of a script	
Week 8	Pre Production document	
Week 9	What is intellectual property? Types of intellectual property	
Week 10	Cycle 1 DIRT	
Week 11	What is intellectual property, Types of intellectual property	
Week 12	R093 Media Products and Sectors	
Week 13	R093 Media Products and Sectors	

	Topics studied	Checkpoint / Assessment Scores
Week 1	Introduction to GCSE Music, housekeeping, lessons, extra curricular	
Week 2	Understanding the basics of music notation	
Week 3	How to work together as an ensemble. What makes a band. Playing Chords	
Week 4	Playing Chords with both hands	
Week 5	Ensemble performance	
Week 6	Ensemble performance	
Week 7	Understanding the basics of music notation – Notes on Bass & Treble Clef	
Week 8	Ensemble performance	
Week 9	Understanding the basics of music notation – Time Signatures	
Week 10	Understanding the basics of music notation – Pitch & Scales	
Week 11	Understanding the basics of music notation – Tonality	
Week 12	Ensemble performance	
Week 13	Ensemble performance	

	Topics studied	Checkpoint / Assessment Scores
Week 1	The Nature of God	
Week 2	Trinity: Father, Son and Holy Spirit	
Week 3	Creation Story	
Week 4	Original Sin	
Week 5	Incarnation	
Week 6	Crucifixion	
Week 7	Resurrection	
Week 8	Salvation	
Week 9	Salvation's influence	
Week 10	Afterlife	
Week 11	Problem of Evil	
Week 12	Islam: Nature of God	
Week 13	Islam: Six Articles of Faith	

	Topics studied	Checkpoint / Assessment Scores
Week 1	Vocabulary use and listening	
Week 2	Reading, grammar and speaking	
Week 3	Role play practice, grammar and writing	
Week 4	Checkpoint assessment	
Week 5	Listening and reading	
Week 6	Revision of all topics studied so far	
Week 7	Exam skills – listening / reading	
Week 8	Exam skills – speaking / writing	
Week 9	Vocabulary use and listening	
Week 10	Reading, grammar and speaking	
Week 11	Role play practice, grammar and writing	
Week 12	Checkpoint assessment	
Week 13	Revision of all topics studied so far	

	Topics studied	Checkpoint / Assessment Scores
Week 1		
Week 2		
Week 3	Introduction to Physical Components of Fitness	
Week 4	Introduction to Skill Components of Fitness	
Week 5	Location of major muscles	
Week 6	Location of major bones	
Week 7	Structure of a synovial joint	
Week 8	Short term effects of the musculoskeletal system	
Week 9	Structure and functions of the heart	
Week 10	Short term effects of the cardiorespiratory system	
Week 11	Importance of a warm up & how to design an effective one	
Week 12	Practical application of a warm up	
Week 13	Student demonstration of warm ups	

	Topics studied	Checkpoint / Assessment Scores
Week 1	Introduction to the course and completing a driving test	
Week 2	Reverse Applique	
Week 3	Suffolk Puffs	
Week 4	Simple Pleats	
Week 5	Checkpoint assessment	
Week 6	Stitched Pleats	
Week 7	Circle Fabric Manipulation	
Week 8	Honeycomb Smocking	
Week 9	Honeycomb Smocking	
Week 10	Batik	
Week 11	Screen Printing	
Week 12	Gathering Stitch	
Week 13	3D Flower	

	Topics studied	Checkpoint / Assessment Scores
Week 1		
Week 2	Alphabet recap	
Week 3	Introductions	
Week 4	Numbers	
Week 5	Days & Months	
Week 6	Colours (adjectival agreement recap)	
Week 7	Body Parts	
Week 8	Feeling unwell	
Week 9	Going to the doctor	
Week 10	Healthy Eating	
Week 11	Exercise & Sleep	
Week 12	Healthy lifestyles	
Week 13	Healthy lifestyles
